Posted by: [cpfadmin](#) in [Events Details](#) on Jan 20, 2010

Since the closing of the Pearl Room, we have yet to find a suitable venue to accommodate the needs and vision of CPF but will continue searching. We will keep you posted on any breaking developments, both here and on our myspace page, and still have hope of bringing you a 2010 edition of the festival! As always, thank you beyond words for your patience, support, and encouragement, we truly appreciate it, you guys are the best! m/ Rock on! Chris, Rob & John CRJ Productions
